SKILLS

Adobe Creative Suite | Final Cut Studio | Video Editing | Producing | Project Management | Motion GFX & Animation | Macintosh OS X | Microsoft Office | Google Suite | Storyboarding | Trailers | Social Media | QA | Localization

EXPERIENCE

Video Editor

Jan. 2023 - present

Gunpowder & Sky | Remote/Los Angeles, CA

- Strategized and created Youtube shorts in the Adobe Creative Suite for the Youtube channels DUST and ALTER, streaming to over 4 million subscribers combined
- Assisted in QAing deliverables for OTT, Facebook, Instagram, and Youtube, while also preparing thumbnails for videos
- Prepped OTT, Facebook, Instagram, and Youtube deliverables for the DUST & ALTER channels with Premiere and After Effects, working with different codecs such as H.264 and Apple ProRes

Animation Project Manager

Sept. 2022 - Jan. 2023

Explainly | Sausalito, CA

- Facilitated the concept and creation of custom animated videos, wearing multiple hats from pre-production to post production
- Assisted in animation fixes in Adobe After Effects for clients such as Medallia, and executed the sound design and audio mixing of multiple animation projects
- Hosted kick-off calls with clients in industries ranging from auto to education to assemble timelines and execute visions of the animated video
- Developed Explainly's first music cue sheet for post production organization by logging hundreds of deliverables and audio files
- Authored and conceptualized scripts and visuals alongside our creative team, while managing and implementing client feedback on voiceover, storyboards, animation, localization, and sound internally and with outside vendors

Trailer Assistant Editor

June 2021 - Aug. 2022

Masterclass | San Francisco, CA

- Executed the finishing process for 10+ trailers, working with multi-cam set-up with instructors such as Bill Clinton, Yo-Yo Ma, Bill Nye, and Pharrell with timelines varying from two weeks to four months
- Updated and organized thousands of video, audio, photo, and motion GFX assets into company databases
- Prepared pro resolution picture for color (EDL, XML), mix (AAF), and GFX animations, before laying in for quality control
- Created final deliverables in different resizes for Instagram, Facebook, Youtube, and IGTV, alongside creating SRTs
- Maintained constant communication with producers, editors, and creative leads and jumped in for immediate technical support

Video Editor

Feb. 2018 - Dec. 2021

Freelance | San Francisco, CA

- Utilized Adobe Premiere, AVID, ProTools, After Effects, and Final Cut Pro for editing, video file conversions, proxies, logging, and exporting in proper codecs
- Edited for the Dolores Huerta 90th Birthday Fundraiser featuring Dolores Huerta & Gloria Steinem (streamed to 1000s of viewers)
- Edited 10+ films for filmmakers in the Delta Kappa Alpha Cinematic Arts Fraternity, excelling in storyboard editing
- Constructed thesis film trailers for film festival advertisements and proposals such as *Glitches*

Film Producer

Aug. 2018 - May 2020

Freelance | San Francisco, CA

- Facilitated crew, castings, budgets, talent release forms, location permits, funding, social media marketing, and film festival distribution for the short films PIG (2018), Glitches (2020), and Another High School Story (2020).
- Booked numerous audition rooms, ADR studios, and event venues for productions
- Organized receipts for itineraries, equipment rentals, catering, and fundraising, alongside organizing gifts and perks for high donors

EDUCATION

San Francisco State University | Bachelor of Arts in Cinema/ Broadcast Electronic Communication Arts 2017-2021

- Emphasis in producing, post production, production assistance, and documentary filmmaking
- *President*, Delta Kappa Alpha Cinematic Arts Fraternity; Award Winner of "Best Fiction" and "Best Video Editing"
